*"When our daughter comes to visit,
we don't have to drive 90 minutes
to pick her up in Charlotte.
Instead, we pick up the phone
and schedule a ride for her.
It saves us so much time and
eliminates all the airport hassle."*

*"I know my cats are well cared for
and in safe hands when I leave town.
I also love knowing there's an extra set
(or two!) of hands that can help me
herd them when they need to make
a visit to the vet."*

You focus on enjoying retirement. We'll handle the rest.

Grace Ridge's concierge program helps eliminate day-to-day worries and other stressful responsibilities so you can focus on living vibrantly.

Whether it's easy or extraordinary, no request is too small or too big. Simply put: Your wish is our command.

Our concierge professionals will make it happen – either by performing the service themselves or by safely and efficiently outsourcing the job.

We promise to take care of whatever needs to get done so you can live your best retirement life!
